Drop-Off and Pick-Up Best Practices

- Drop off must be within the 1 hour designated window on booking confirmation invoice. 
 - **\$10 late fee applies**
 - **\$50 late fee if arrival after 8p**
 - **Early pick up not available**

- Please text when you are on the way to ensure we are ready. 

- At gate: Drive directly up to the gate, not the call box- Text us that you are at the gate and we will open it.

- **Please do not tailgate.** 

- Please wait outside for us to get you.

- Please **do not** ring doorbell. 

- Please have dog on a leash- Please do not let them run out of the car onto neighbor’s yards. 

If you forget their leash- no problem! Just let us know so we can bring one out!

- Please put your pup in backyard to allow for some potty time. 

- Please limit your drop off to 5-10 minutes. 

- **MOST IMPORTANT:** Give your pups lots of hugs and kisses!

If you think of anything else not covered here, please reach out to us directly!
